Newsletter

Term 3 – Friday 15 January 2016

Dear Parents and Carers

Finally, the sun is shining and the afternoons are getting just a little bit lighter each day. I hope you all have had an enjoyable week, and are looking forward to the weekend.

Ofsted Visit

As you are aware we had a visit from Ofsted this week. We are awaiting the results which will be made available to the public in approximately three weeks. Thank you for all those that took the time to complete the online questionnaire.

Data Collection Sheet / Parents Consultation Form

Please remember to return the above forms to the office as soon as possible. May we remind you to look at both sides of the Data Collection form. Many thanks.

A message from the Family Liaison Officer – Anna Brown

Are you worried about your children going online? The Bower Grove School are running an E Safety Workshop on Friday 29 January 2016 between 10.15am – 11.45am. The course aims to give you a good understanding of social media and digital footprints.

On Friday 11 March an ADHD Workshop will be held at Bower Grove School at 10.15am – 11.45am. Again, no booking is required, just arrive on the day. The Bower Grove School is in Fant Lane, Maidstone, Kent, ME16 8NL.

Injuries at school

If your child bumps their head at school, you will receive a courtesy text to keep you informed. This will enable you to be vigilant should your child develop a headache later on at home. We will always telephone you if there is cause for concern, and we will continue to monitor them whilst at school.

Census Day Menu – Thursday 21 January 2016

Please remember that school dinners have been pre-ordered on Thursday 21 January. If you have not completed an order form, and you are in Key Stage 2, please provide your child with a packed lunch.

Celebration Assembly

This week we celebrated the achievements of the following children in our Celebration Assembly:

- Year 1 *Fabienne Marques* – Increased confidence, standing up in front of the class and sharing ideas.
 Connor Mannering – Great work when exploring Polar habitats.
- Year 2 *Louie Terry* – For challenging himself in mathematics.
 Tiiana Jones – For always doing her best.
- Year 3 *Mary-Ann Wells* – Improvement in handwriting.
 Archie Hickmott – Working hard to improve his handwriting.
- Year 4 *Phoebe Beckett* - For great understanding in mathematics.
 Ben Thompson – For challenging himself in mathematics.
 Honey Agwulonu – *For excellent note taking and research in English.*
- Year 5 *Wesley Mileham* – For doing really well with his New Years' Resolution.
 Joshua Hope – For thoughtful answers to challenging questions .
- .Year 6 *Alice Gladstone* – Inventing mathematical statements about multiplying fractions.
 Molly Kennaird – Fantastic progression through this weeks' mathematics.
