Athletics at Mote Park Sportshall

On Monday morning, 8 infants and their parents met Mrs Knight at Mote Park for a morning of athletic based fun and activities. It's the first time we have taken children this young to a competition. They tried so hard and were a real credit to the school and themselves, cheering each other on and over coming nerves. They bounced, threw, bowled, jumped and ran extremely well, being rewarded with 5th place out of 11 schools. They finished the morning with a fantastic 1st place in the final relay - 5 children running one lap each. Well done, thank you and wow!

In the afternoon, years 3 and 4 came along. They took part in relays, hurdles, running and obstacle races. The children worked really hard, and scored highly in the javelin throwing. Thank you to all the parents who helped out, making this event possible.

Parking Problems

It has been brought to our attention, that some parents are parking inconsiderately and sometimes dangerously, in order to park as close as possible to the school gates. Please be aware of other road users and pedestrians when trying to park. I am sure we all want our roads and pavements to be as safe as possible for our children.
