Term 3 – Friday 24 February 2017

Dear Parents and Carers,

### Good to be Green

Well done to Lacey Barton, Reece Young, Lewis Williams, Cody Fowler, Sam Mannering, Honey Agwulonu, Kacey Terry, Phoebe Beckett, and Kacey-Mai Gilbert who have all received their Good to be Green Certificates.

Congratulations to Lewis Williams who received his second Good to be Green Certificate in assembly this morning!

### Maths Workshop

This week, the school has been focussing on Mathematics. On Tuesday, we were entertained by a Maths Magician, who looked at lots of interesting and exciting ways to solve problems. Maple Class baked bread, and looked at the different ratios of ingredients.

*“I’ve learnt long multiplication” ~ Kacey*

*“I’ve got better at dividing decimals” ~ Jack*

*“I’ve learnt to scale a recipe” ~ Alana*

*“I’ve learned that we use maths for lots of different things, like weighing ingredients, money and everyday things”*

### Clubs

All clubs start next week. Text messages have been sent out to parents today to all those children who have a place. With regard to Choir, all existing members had to re-apply for a space. The club is now full, so unless you have received confirmation of your place, please do not leave your child at school to attend. Thank you.
