# Senacre Wood Primary School: Key Priorities

<b>QUALITY OF EDUCATION</b>	<i>Continue to develop our curriculum so that the intent is clear and its implementation guarantees established connections in learning, where the pupils' enjoyment and confidence in reading is prioritised.</i>
<b>BEHAVIOUR AND ATTITUDES</b>	<i>Increase attendance and punctuality for all groups of pupils.</i>
<b>PERSONAL DEVELOPMENT</b>	<i>Promote the Spiritual, Moral, Social and Cultural development of all pupils through an increased level of community engagement.</i>
<b>LEADERSHIP AND MANAGEMENT</b>	<i>Ensure that the curriculum delivery is clear and strongly linked to high quality expert knowledge, where key skills are embedded for life.</i>
<b>EARLY YEARS FOUNDATION STAGE</b>	<i>The high-quality environment and child-centred teaching strategies of the EYFS classroom are inextricably linked to the teaching of early reading and development of vocabulary, which is used across all areas.</i>
