Dear Parents and Carers,

World Mental Health Day

We started the day with an exciting whole school assembly- complete with dancing, games and prizes. This lead on to workshops for the whole of Key Stage Two on growth mindset, independence and positivity. Jayne spoke to all the children about 'the power of yet', being able to add the word 'yet' to 'I can't' style sentences.

What is World Mental Health Day?

World Mental Health Day is an opportunity for all of us to raise awareness of mental health issues and advocate against social stigma. The day provides an opportunity to add to the wider conversation that will be occurring on social media, television and elsewhere. It highlights the fantastic work already being done to address mental health stigma and introduce new and targeted activities anchored to the event.

School Clubs

After school clubs will not be running on Tuesday and Thursday next week due to Parents Consultation Evenings on the 15 and 17 October.

Kent Messenger

Have a look in this week's Kent Messenger to see Oak Class in their First Class supplement.

O2 Young Voices

All tickets need to be ordered and paid for by the end of Monday 28 October 2019. After that date, no further tickets can be issued.

Art Certificates

Congratulations to all the children in Fashion Club who produced some truly fantastic t-shirts. They learnt how to do tie-dye, how to make stencils for silhouettes and painted their own designs onto their t-shirts using fabric paints. They wore their t-shirts into assembly and everyone was very impressed with them. Maybe they will be the fashion designers of the future!
