Year 6 Live “1-to-1” Appointments & Virtual Tour of our School

It is our personal touch that matters most to MGGs!

We are inviting Year 6 Parents/Carers and their daughters interested in being our next Year 7 in 2021 to find out more about what makes MGGs special.

Live “1-to-1” Appointments

We encourage you to book an individual live “1-to-1” appointment with members of the Leadership Team as well as our specialist teaching staff to discuss what matters to you most and answer any questions you may have.

[Complete the online booking form here](#) to book your individual live “1-to-1” appointment. Once you have entered your details and submitted them, we will send you an allocated time for your online appointment.

We look forward to welcoming you and your daughter virtually to MGGs in the very near future.

Virtual Tours Coming Soon...

“It gives me real pleasure to invite you to look at our online open events for 2020. Clearly, we are sad that you are not physically able to come and visit our beautiful site and to see our school and our students.

However, we hope that the videos we have made available will give you a good understanding of MGGs and the education we provide.” **[Watch the video here](#)**.
