23th March 2021

Dear Parent and Carers,

From the summer term in 2021, all schools are required to deliver a new and compulsory "Relationships, Sex and Health Education" curriculum as part of their Personal, Social, Health Education (PSHE) program. Senacre Wood Primary School has chosen to use the Jigsaw PSHE curriculum to help us deliver these aims.

All schools are required to consult with parents with regards to these changes. In order to do this, I invite you to read our new, draft "Relationships, Sex and Health Education Policy" and the accompanying LGBTQ+ Information Booklet and the RSHE guide for parents by clicking on the relevant links here <https://www.senacre-wood.kent.sch.uk/our-learning/pshe-and-sre/> The policy has also been viewed by our school governing body.

Our Relationships, Sex and Health Education Policy sets out what is going to be taught in each year group and provides you with further information regarding this important area of the curriculum. I would recommend that you visit the webpage below from the Department for Education that explains a little more about the changes and provides some answers to some frequently asked questions.

<https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education>

In order for you to give us your feedback regarding these proposed changes, please complete the following survey: https://www.surveymonkey.co.uk/r/RSHE_survey The survey will be open for two weeks until 6th April 2021. This will help us to gain your thoughts and opinions of this new content and then help us share our approach to the teaching of RSE, following this period of consultation.

Many thanks for your support with this matter and we look forward to hearing from you.

Kind regards,

Miss Comerford
Acting Headteacher

Together Everyone Achieves More
