

PSHE (Personal, Social Health  
Education) Policy including  
Relationships, Sex Education and  
Health Education Policy

Policy Date: September 2023

Ratified by Governors on: 09.11.23

Review Date: September 2024

Author: Emily Sweeney

## Context

All schools must provide a curriculum that is broadly based, balanced and meets the needs of all pupils. Under section 78 of the Education Act 2002 and the Academies Act 2010, a PSHE curriculum:

- Promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and
- Prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

## PSHE

At Senacre Wood Primary School, we teach Personal, Social, Health Education as a whole-school approach to underpin children's development as people and because we believe that this also supports their learning capacity.

The Jigsaw Programme offers us a comprehensive, carefully thought-through Scheme of Work which brings consistency and progression to our children's learning in this vital curriculum area.

This also supports the "Personal Development" and "Behaviour and Attitude" aspects required under the Ofsted Inspection Framework, as well as significantly contributing to the school's Safeguarding and Equality Duties, the Government's British Values agenda and the SMSC (Spiritual, Moral, Social, Cultural) development opportunities provided for our children.

## Statutory Relationships and Health Education

"The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019, made under sections 34 and 35 of the Children and Social Work Act 2017, make Relationships Education compulsory for all pupils receiving primary education... They also make Health Education compulsory in all schools except independent schools. Personal, Social, Health and Economic Education (PSHE) continues to be compulsory in independent schools."

DfE Guidance p.8

"Today's children and young people are growing up in an increasingly complex world and living their lives seamlessly on and offline. This presents many positive and exciting opportunities, but also challenges and risks. In this environment, children and young people need to know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way."

"This is why we have made Relationships Education compulsory in all primary schools in England... as well as making Health Education compulsory in all state-funded schools."

"In primary schools, we want the subjects to put in place the key building blocks of healthy, respectful relationships, focusing on family and friendships, in all contexts, including online. This will sit alongside the essential understanding of how to be healthy."

"These subjects represent a huge opportunity to help our children and young people develop. The knowledge and attributes gained will support their own, and others' wellbeing and attainment and help young people to become successful and happy adults who make a meaningful contribution to society."

Secretary of State Foreword DfE Guidance 2019 p.4-5

“Schools are free to determine how to deliver the content set out in the DfE guidance 2019 in the context of a broad and balanced curriculum. Effective teaching in these subjects will ensure that core knowledge is broken down into units of manageable size and communicated clearly to pupils, in a carefully sequenced way, within a planned programme of lessons.”

DfE Guidance p.8

Here, at Senacre Wood Primary School we value PSHE as one way to support children’s development as human beings, to enable them to understand and respect who they are, to empower them with a voice and to equip them for life and learning.

We include the statutory Relationships and Health Education within our whole-school PSHE Programme.

### **Our PSHE policy is informed by existing DfE guidance:**

- [Keeping Children Safe in Education](#) (statutory guidance)
- [Respectful School Communities: Self Review and Signposting Tool](#) (a tool to support a whole school approach that promotes respect and discipline)
- [Behaviour and Discipline in Schools](#) (advice for schools, including advice for appropriate behaviour between pupils)
- [Equality Act 2010 and schools](#)
- [SEND code of practice: 0 to 25 years](#) (statutory guidance)
- [Alternative Provision](#) (statutory guidance)
- [Mental Health and Behaviour in Schools](#) (advice for schools)
- [Preventing and Tackling Bullying](#) (advice for schools, including advice on cyberbullying)
- [Sexual violence and sexual harassment between children in schools](#) (advice for schools)
- [The Equality and Human Rights Commission Advice and Guidance](#) (provides advice on avoiding discrimination in a variety of educational contexts)
- [Promoting Fundamental British Values as part of SMSC in schools](#) (guidance for maintained schools on promoting basic important British values as part of pupils’ spiritual, moral, social and cultural (SMSC))
- [SMSC requirements for independent schools](#) (guidance for independent schools on how they should support pupils’ spiritual, moral, social and cultural development).

### **Equal opportunities statement**

At Senacre Wood Primary School, we promote respect for all and value every individual child. We also respect the right of our children, their families and our staff, to hold beliefs, religious or otherwise, and understand that sometimes these may be in tension with our approach to some aspects of Relationships, Health and Sex Education.

Our RSE programme responds to the needs of individual pupils and takes pupils, cultures, faiths and family backgrounds into consideration. Pupils with special educational needs are supported to understand the RSE curriculum as are children with English as an additional language.

At Senacre Wood Primary School, we teach our pupils about LGBT (Lesbian, Gay, Bisexual, Transgender), integrated into their programmes of study of the curriculum rather than delivered as a stand-alone unit or lesson.

### **Confidentiality**

Pupils' confidentiality is respected in all RSE lessons and pupils are made aware of the fact that what they say in RSE lessons will not be repeated to anyone else unless a member of staff suspects that the child or anyone else is at risk from harm.

### **Child Protection Procedures**

The Designated Safeguarding Lead is responsible for child protection procedures. If a teacher suspects that a child is at risk from harm, abuse or neglect, they need to follow the school's safeguarding procedures and inform the DSL and record any evidence that supports their concerns. As part of RSE ground rules, teachers make it clear to pupils that if they suspect that anyone is at risk from harm, they need to tell another adult.

### **Aims and Objectives of the Relationships and Sex Education Policy**

RSE aims to equip all pupils with accurate, unbiased knowledge about relationships and sex and give pupils the opportunity to acquire life skills that will help pupils make good use of this knowledge. It will also give pupils opportunities to explore and respect their own and others' opinions, attitudes and values to help pupils develop their own, individual moral framework. It will equip pupils with:

- good relationship skills
- good knowledge of their own bodies and to be prepared for the changes of puberty
- an understanding of prejudice and its negative effects
- confidence to seek help and advice when they need to
- an ability to express how they feel
- an awareness of and confidence to challenge the messages they receive from the media
- an awareness of the right they have over their own body
- information to make positive informed choices (that reduce risk).

The RSE programme ensures that pupils will revisit topics annually so they build upon their existing knowledge and skills throughout the school. It is aimed that RSE is taught through active learning activities as often as possible.

### **Content/Learning Objectives of the RSE programme**

At Senacre Wood Primary School we believe that children should be prepared for the changes that adolescence brings and – drawing on knowledge of the human life cycle set out in the national curriculum for science - how a baby is conceived and born before they leave primary school. Puberty is taught as a statutory requirement of Health Education. We conclude that sex education refers to Human Reproduction, and therefore inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this.

The RSE programme will

- provide information that is relevant and appropriate to the age and developmental stage of the pupils

- develop skills of assertiveness, communication and effective dialogue in relationships
- encourage the exploration and clarification of values and attitudes
- foster self esteem, positive self-image and confidence.

The scheme 'Jigsaw' is used by the school to teach RSE. The statutory Relationships Education is taught through different units throughout the year. This holistic approach ensures the learning is reinforced through the year and across the curriculum.

At Senacre Wood Primary School, we believe children should understand the facts about human reproduction before they leave primary school so we will use jigsaw to teach this in Years 4, 5 and 6 through 'Changing Me' lessons.

We define Sex Education as understanding puberty and human reproduction. We intend to teach this through the 'Changing Me' unit in Jigsaw. It is a holistic programme that supports children's personal development, sense of identity and self-respect throughout, with the Relationships Puzzle offering more specific aspects of statutory Relationships Education.

### Puberty and Human Reproduction in Jigsaw 3-11 Changing Me Puzzle

FS	Growing Up	How we have changed since we were babies
Y1	My changing body	Understanding that growing and changing is natural and happens to everybody at different rates
	Boys' and girls' bodies	Appreciating the parts of the body that make us different and using the correct names for them
Y2	The changing me	Where am I on the journey from young to old, and what changes can I be proud of?
	Boys and girls	Differences between boys and girls – how do we feel about them? Which parts of me are private?
Y3	Outside body changes	How our bodies need to change so they can make babies when we grow up – outside changes and how we feel about them
	Inside body changes	How our bodies need to change so they can make babies when we grow up – inside changes and how we feel about them (animations used – shorter version Female and Male Reproductive Systems)
Y4	Having a baby	The choice to have a baby, the parts of men and women that make babies and – in simple terms – how this happens (animations used – the Female Reproductive System)
	Girls and puberty	How a girl's body changes so that she can have a baby when she's an adult – including menstruation (animations used – the Female Reproductive System)
Y5	Puberty for girls	Physical changes and feelings about them – importance of looking after yourself (animations used – the Female Reproductive System)
	Puberty for boys	Developing understanding of changes for both sexes – reassurance and exploring feelings (animations used – the Male Reproductive System)
	Conception	Understanding the place of sexual intercourse in a relationship and how it can lead to conception and the wonder of a new life (animations used – the Female and Male Reproductive Systems)

Y6	Puberty	Consolidating understanding of physical and emotional changes and how they affect us (animations used – the Female and Male Reproductive Systems)
	Girl talk / boy talk	A chance to ask questions and reflect (single sex) (animations used – the Female and Male Reproductive Systems)
	Conception to birth	The story of pregnancy and birth (animations used – the Female and Male Reproductive Systems)

## Organisation and Delivery of the RSE Programme

The PHSE coordinator coordinates the RSE programme. RSE is delivered predominantly in PHSE lessons to ensure a comprehensive coverage. However, consolidation and extension of RSE is found in science, RE, Literacy and during assemblies. Circle time is also used to deliver RSE (and PSHE) and this occurs in all classes once a week. Specific RSE lessons are delivered in Years Reception – Year 6 in Term 6.

All class teachers and senior leaders have been trained, by Jigsaw, on the delivery of the RSE content to ensure confidence and knowledge.

## Teaching Methods

Ground rules will be developed during RSE lessons based on respect. The only additional considerations specific to RSE ground rules (as opposed to basic class rules) will be a need to prevent personal questions and the need to explain to children that if a teacher suspects that they or anyone else is at risk from harm, then they will need to tell another adult. Active learning techniques such as circle time, role play, games, prioritising exercises, paired and group discussion, interviewing and presentations, may be used in the teaching of RSE. Pupils will also be given many opportunities to reflect on what they have learnt in RSE lessons.

As far as possible, to prevent stigmatisation of any group of people or any life choices, the pro-choice approach to PSHE and RSE is adopted. This means that every issue is presented in terms of, 'some people ...and others ...let's explore the effect these choices might have on a person's life.'

## Approach to Potentially Controversial and Sensitive issues

All staff are aware that everyone has views on RSE related issues. However, while it is respected that everyone has the right to their own viewpoint, all RSE issues are taught without bias. Topics are presented in a way that considers all viewpoints so that pupils are able to form their own, informed opinions but are also encouraged to respect the fact that others may have quite different viewpoints. Viewpoints that have a negative impact upon another person or group of people such as prejudice are always challenged.

## Dissemination of the Policy and Programme Content

Staff at the school have actively been involved in reaching consensus on the content of the RSE programme and are aware of the policy content through discussion of the final draft. Parents/carers have been invited to view the policy and to a session outlining the programme content. Parents/carers will be kept informed of any developments or opportunities in RSE.

Governors have responsibility to ensure that the RSE policy is reviewed and updated regularly.

#### **How the resources were selected:**

The Senior Leadership team, which includes the PSHE co-ordinator, thoroughly reviewed any potential resources to ensure that there is no stereotyping, bias or prejudice and that they are suitable for the age group of the audience.

#### **Evaluation of the RSE Programme**

The Emily Baksh, PSHE leader, will monitor and evaluate the RSE programme within the PSHE curriculum each year.

#### **Informing Parents/Carers of their Right to Withdraw their child**

Parents have the right to request that their child be withdrawn from some or all of sex education delivered as part of statutory Relationships and Sex Education. Headteachers will automatically grant a request to withdraw a pupil from any sex education delivered, other than as part of the science curriculum. At Senacre Wood Primary School, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the 'Changing Me' Puzzle (unit). There is no right to withdraw from Relationships Education or Health Education.

Before each year group embarks upon its explicit RSE programme, parents are informed by letter of their right to withdraw their child from RSE lessons and given an overview of the topics the child will be covering. Parents are also reminded that they can have a copy of the school's RSE policy on request. Parents are also told that they can request to view all teaching resources that will be used in the delivery of their child's RSE.

#### **Language**

Correct terminology is used throughout the RSE programme. The meanings of all words are clarified in a factual way and it is made clear to pupils which words are potentially offensive and that from this point onwards, the correct terms will be used. This aims to prevent bullying of children for not knowing definitions and overtly points out the offensive nature of some words – which also empowers staff to challenge the use of offensive words explicitly.

#### **Monitoring and Review**

The Curriculum Committee of the governing body monitors this policy on an annual basis. This committee reports its findings and recommendations to the full governing body, as necessary, if the policy needs modification. The Curriculum Committee gives serious consideration to any comments from parents about the PSHE (RSHE) programme, and makes a record of all such comments. Governors scrutinise and ratify teaching materials to check they are in accordance with the school's ethos.

### Appendix 1:

Jigsaw covers all areas of PSHE for the primary phase including statutory Relationships and Health Education. The table below gives the learning theme of each of the six Puzzles (units) and these are taught across the school; the learning deepens and broadens every year.

Term	Puzzle (Unit)	Content
<b>Autumn 1:</b>	Being Me in My World	Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.
<b>Autumn 2:</b>	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and understanding
<b>Spring 1:</b>	Dreams and Goals	Includes goal-setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society
<b>Spring 2:</b>	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise
<b>Summer 1:</b>	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss
<b>Summer 2:</b>	Changing Me	Includes Relationships and Sex Education in the context of coping positively with change

Senacre Wood  
Primary School

## Appendix 2:

### Relationships Education in Primary schools – DfE Guidance 2019

The focus in primary school should be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults. The references R3/H5 etc can be cross-referenced on the Jigsaw mapping documents and Puzzle Maps to show which lessons throughout Jigsaw contribute to which statutory outcomes. All statutory outcomes are covered in the Jigsaw 3-11 Programme.

The guidance states that, by the end of primary school:

	<b>Pupils should know...</b>	<b>How Jigsaw provides the solution</b>
<b>Families and people who care for me</b>	<ul style="list-style-type: none"> <li>• R1 that families are important for children growing up because they can give love, security and stability.</li> <li>• R2 the characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives.</li> <li>• R3 that others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care.</li> <li>• R4 that stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.</li> <li>• R5 that marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong (Marriage in England and Wales is available to both opposite sex and same sex couples. The Marriage (Same Sex Couples) Act 2013 extended marriage to same sex couples in England and Wales. The ceremony through which a couple get married may be civil or religious).</li> <li>• R6 how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> <li>• Being Me in My World</li> </ul>
<b>Caring friendships</b>	<ul style="list-style-type: none"> <li>• R7 how important friendships are in making us feel happy and secure, and how people choose and make friends</li> </ul>	

	<ul style="list-style-type: none"> <li>• R8 the characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties</li> <li>• R9 that healthy friendships are positive and welcoming towards others and do not make others feel lonely or excluded</li> <li>• R10 that most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right</li> <li>• R11 how to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help and advice from others, if needed</li> </ul>	
<b>Respectful relationships</b>	<ul style="list-style-type: none"> <li>• R12 the importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs</li> <li>• R13 practical steps they can take in a range of different contexts to improve or support respectful relationships</li> <li>• R14 the conventions of courtesy and manners</li> <li>• R15 the importance of self-respect and how this links to their own happiness</li> <li>• R16 that in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority</li> <li>• R17 about different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help</li> <li>• R18 what a stereotype is, and how stereotypes can be unfair, negative or destructive</li> <li>• R19 the importance of permission-seeking and giving in relationships with friends, peers and adults</li> </ul>	
<b>Online relationships</b>	<ul style="list-style-type: none"> <li>• R20 that people sometimes behave differently online, including by pretending to be someone they are not.</li> </ul>	All of these aspects are covered in lessons within the Puzzles

	<ul style="list-style-type: none"> <li>• R21 that the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others online including when we are anonymous.</li> <li>• R22 the rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them.</li> <li>• R23 how to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met.</li> <li>• R24 how information and data is shared and used online.</li> </ul>	<ul style="list-style-type: none"> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> </ul>
<b>Being safe</b>	<ul style="list-style-type: none"> <li>• R25 what sorts of boundaries are appropriate in friendships with peers and others (including in a digital context).</li> <li>• R26 about the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe.</li> <li>• R27 that each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact.</li> <li>• R28 how to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know.</li> <li>• R29 how to recognise and report feelings of being unsafe or feeling bad about any adult.</li> <li>• R30 how to ask for advice or help for themselves or others, and to keep trying until they are heard,</li> <li>• R31 how to report concerns or abuse, and the vocabulary and confidence needed to do so.</li> <li>• R32 where to get advice e.g. family, school and/or other sources.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> </ul>

### Appendix 3:

#### Physical health and mental well-being education in Primary schools – DfE Guidance

The focus in primary school should be on teaching the characteristics of good physical health and mental wellbeing. Teachers should be clear that mental well-being is a normal part of daily life, in the same way as physical health.

By the end of primary school:

	<b>Pupils should know</b>	<b>How Jigsaw provides the solution</b>
<b>Mental wellbeing</b>	<ul style="list-style-type: none"><li>• H1 that mental wellbeing is a normal part of daily life, in the same way as physical health.</li><li>• H2 that there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.</li><li>• H3 how to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.</li><li>• H4 how to judge whether what they are feeling and how they are behaving is appropriate and proportionate.</li><li>• H5 the benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity on mental well-being and happiness.</li><li>• H6 simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.</li><li>• H7 isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support.</li><li>• H8 that bullying (including cyberbullying) has a negative and often lasting impact on mental well-being.</li><li>• H9 where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their</li></ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"><li>• Healthy Me</li><li>• Relationships</li><li>• Changing Me</li><li>• Celebrating Difference</li></ul>

	<p>own or someone else's mental well-being or ability to control their emotions (including issues arising online).</p> <ul style="list-style-type: none"> <li>• H10 it is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available, especially if accessed early enough.</li> </ul>	
<b>Internet safety and harms</b>	<ul style="list-style-type: none"> <li>• H11 that for most people the internet is an integral part of life and has many benefits.</li> <li>• H12 about the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing.</li> <li>• H13 how to consider the effect of their online actions on others and knowhow to recognise and display respectful behaviour online and the importance of keeping personal information private.</li> <li>• H14 why social media, some computer games and online gaming, for example, are age restricted.</li> <li>• H15 that the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health.</li> <li>• H16 how to be a discerning consumer of information online including understanding that information, including that from search engines, is ranked, selected and targeted.</li> <li>• H17 where and how to report concerns and get support with issues online.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Healthy Me</li> </ul>
<b>Physical health and fitness</b>	<ul style="list-style-type: none"> <li>• H18 the characteristics and mental and physical benefits of an active lifestyle.</li> <li>• H19 the importance of building regular exercise into daily and weekly routines and how to achieve this; for example, walking or cycling to school, a daily active mile or other forms of regular, vigorous exercise.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>

	<ul style="list-style-type: none"> <li>• H20 the risks associated with an inactive lifestyle (including obesity).</li> <li>• H21 how and when to seek support including which adults to speak to in school if they are worried about their health.</li> </ul>	
<b>Healthy eating</b>	<ul style="list-style-type: none"> <li>• H22 what constitutes a healthy diet (including understanding calories and other nutritional content).</li> <li>• H23 the principles of planning and preparing a range of healthy meals.</li> <li>• H24 the characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the impact of alcohol on diet or health).</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>
<b>Drugs, alcohol and tobacco</b>	<ul style="list-style-type: none"> <li>• H25 the facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug-taking</li> </ul>	
<b>Health and prevention</b>	<ul style="list-style-type: none"> <li>• H26 how to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body.</li> <li>• H27 about safe and unsafe exposure to the sun, and how to reduce the risk of sun damage, including skin cancer.</li> <li>• H28 the importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn.</li> <li>• H29 about dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist.</li> <li>• H30 about personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing.</li> <li>• H31 the facts and science relating to immunisation and vaccination</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>
<b>Basic first aid</b>	<ul style="list-style-type: none"> <li>• H32 how to make a clear and efficient call to emergency services if necessary.</li> <li>• H33 concepts of basic first-aid, for example dealing with common injuries, including head injuries.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>
<b>Changing adolescent body</b>	<ul style="list-style-type: none"> <li>• H34 key facts about puberty and the changing adolescent body, particularly from age 9 through to</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p>

	<p>age 11, including physical and emotional changes.</p> <ul style="list-style-type: none"><li>• H35 about menstrual wellbeing including the key facts about the menstrual cycle.</li></ul>	<ul style="list-style-type: none"><li>• Changing Me</li><li>• Healthy Me</li></ul>
